

**Save the date: The Swedish Corporate Governance Board's annual corporate governance seminar on 11 October 2022**

The Swedish Corporate Governance Board will host its annual corporate governance seminar on 11<sup>th</sup> October 2022 at 13.30 – 17.00 CET. The seminar will be held online using the Microsoft Teams platform.

As well as discussing current issues within corporate governance, this year's seminar will focus on international regulatory forces and Swedish corporate governance from an international perspective, including a panel discussion led by Board member Mats Isaksson on the purpose of corporate governance rules. Among the panellists will be Jacob Wallenberg, Chair of Investor and of the Confederation of Swedish Enterprise, and Serdar Çelik, Head of Corporate Governance at the OECD.

A more detailed seminar programme will be presented in good time before the seminar. In the meantime, we hope you are able to reserve the date in your diary.

Kind regards

THE SWEDISH CORPORATE GOVERNANCE BOARD
